Recreation Roundup

Fun Run May Become Weekly Program

The Recreation Department is considering conducting a weekly "Fun Run" program to be held on a weekly basis, probably Saturday or Sunday afternoons throughout the spring.

The program is designed for all age runners, novice and expert. The department will set up three courses: one course of two miles, one of five miles, and one of 10 miles. Participants may choose whatever course they would like to run, meet at a designated time and place, start off together and receive individual times as they cross the finish line, from a Recreation Department supervisor.

The program will meet each week and a chart will be kept for each individual so that they may compare their own times as well as their time to other participant's times.

Individuals, of all ages, who feel they might be interested in this program should call the Recreation Office at 383-6791, as soon as possible. The program will require a minimal registration fee and is planned to begin in early April.

The possible formation of a formal jogging club will also be considered if participation levels indicate.

ADULT DISCO

Registration for Adult Disco lessons will be accepted via phone from now until March 30.

The fee for the six week instructional program, taught by Andrea Palardy, is \$5 per person. The program is designed to teach fundamentals of disco dancing to people 21 years of age and over. Current classes will finish the first session Saturday evening, March 17; interested individuals may drop in that evening at the Town Hall Auditorium (8-9 p.m.) to observe the class.

This program is specifically designed for the adult beginner or advanced beginner dancer, i.e. has had none or very few prior disco lessons.

If interested call the Recreation Department Office at 383-6791, before March 30. Classes will begin Saturday March 31, at the Town Hall Auditorium, from 8 p.m.-9 p.m.

DOG OBEDIENCE TRAINING

The Department is planning again this year, to conduct Dog Obedience Training classes on the Town Common, beginning the latter part of April. Due to the success of last year's programs the department will register this class early in order to determine how many individual classes will be needed.

Dog Obedience is an eight-week, one hour per week, program designed to teach any dog at least six months of age (by April 1) basic obedience and command training. Class time will be spent teaching proper training techniques and procedures. Participants will be expected to work with their dogs during the week, on their own, in

order for the dog to obtain full benefit of the program. Dog handlers who will accompany dogs to class must be at least 12 years old.

The fee for the eight-week program is \$15 per dog. Early registration, by calling the Recreation Office, is suggested as class sizes will be limited. Classes will be filled on a first-come-first-enrolled basis.

GUITAR LESSONS

The Department will accept registrations, via phone, for guitar lessons taught by recording artist Mark Mincolla.

Classes will be offered for beginner and intermediate adults (age 16 and over) and youth (grade 4 to age 16). The fee is \$8 for six, one hour classes that will be held Monday evenings beginning March 26.

If interested please call the Recreation Office at 383-6791 before Friday, March 23. Classes are limited in size and will be filled on a first-call-first enrolled basis. Non-residents will be accepted on a space available basis for \$1 extra charge, on Friday afternoon, March 24, only.

GYMNASTIC LESSONS

Late registrations for Grades 4-12 gymnastics program will be accepted by calling the Recreation Office immediately.

Classes will be offered in beginners, advanced beginners, intermediates and advanced levels of instruction. The program is open to both girls and boys who are currently in Grades 4-12.

WOMEN'S FITNESS

Registrations, via phone, will be accepted for Women's

Fitness Classes. Classes will consist of use of the Universal Weight Training Machine at CHS, and group exercise, on an alternating basis. Also, for those who are interested, organized jogging will be implemented into the program.

Catherine McArdle will instruct the eight-week program designed for women of all ages over 15 years. Individual work-outs and exercise programs will be designed to meet your specific needs and abilities.

The program fee is \$6 and will meet Thursdays starting March 22, at 7:30 p.m. The first class will meet at the Town Hall Auditorium and the second class, March 29, at the CHS weight room. Classes will alternate each week from the Town Hall (group exercise) to CHS (universal weight machine).

If interested please call the Recreation Office at 383-6791, before Tuesday, March 20.

CO-ED GRADE K-3 KICKBALL

Again this spring, the Recreation Department is interested in conducting Co-ed kickball for Grades K-3. In order to conduct this program, a number of adult and high school age volunteers will be needed to coach teams. The program will meet one afternoon per week (for coaches) after school, at the Osgood School field.

If you are interested in helping out with this program, and can spare a couple of hours of time per week for a 6-8 week period, please call the Recreation Office as soon as possible.
